

It's a pleasure to invite you to take part in the
INTERNATIONAL TEACHING WEEK
February 28 – March 4, 2022

International Teaching Week (IW) is one of the most important annual international events at Vilniaus kolegija / University of Applied Sciences (VIKO), which usually takes place each spring. Hoping the pandemic situation has been controlled due to vaccination, and that all of us – organisers as well as participants – will take all necessary precautions to stay safe, we would like to invite you to come to Vilnius.

The main aim of this event is to invite teachers from the higher education institutions in different parts of the world and provide them with an opportunity to meet our students and staff in a different academic and cultural context! The guest teachers are invited to give 8 hours of classes, seminars or workshops.

We are waiting for you! Our students are waiting for you!

Please register to the International (Teaching) Week 2022 using the link below:
